

## Parent Consultation Evening- Thursday 19<sup>th</sup> October

Our first term is racing by and already children and staff are making leaps forward in learning. It is exciting to see so many discussions between staff and children regarding next steps and their hopes and dreams for the year ahead. This will be our first year whereby nearly all children in the school will have been learning at Repton for their entire primary school lives. If the predicted outcomes for our children are as reliable as previous years, this will be by far our most successful year since opening.

I have always wished I could show parents their children's successes and achievements everyday which is impossible but we make every effort to keep you well informed and knowledgeable about your child's progress. We have several systems in place for this including; three written reports a year; open afternoons every term; information evenings for every year group at the start of the year; newsletters and of course the option to book a one-to-one meeting with your child's teacher throughout the year. We also host three parent consultation evenings where you will be able to book your 10 minute slot online. The first parent evening will be **Thursday the 19<sup>th</sup> October**. Our booking system for all appointments will be open to parents from **Thursday 12<sup>th</sup> October at 7.30pm**. **If you have not registered online on 'Scopay' system, please come to the school office where a member of staff will be able to help you.**

We must keep the parent evening consultations to a 10 minute session to enable all the staff to meet all the parents on time. Although this appointment is only 10 minutes as a seasonal update, if you feel you would like to discuss any issues further and in more detail I would like to repeat the offer from every teacher to book an appointment at any time of the year. We want every parent to have all the information you need regarding your child's learning and progress. I look forward to seeing you all Thursday 19<sup>th</sup> October.

Matt Rawling - Headteacher

### Lost Property

Please make sure that your child's uniform is fully named. We will be placing all lost property into the Office Area on the night of Parents' Evening, to ensure that parents can hopefully reclaim any lost items.
