

Our Growing Community

Our school family continues to grow with the new Reception Year of 90 children settling in well. We also have an additional three teachers. Miss Sian King who is teaching in Reception Class, Mr John Page our Year 3 teacher and Mr Jobber who teaches in Year 4. Our new nursery manager Eleanor also started this week. All staff have commented on how much they are enjoying working with you and your children and how welcome they have been made to feel, so thank you on behalf of the school.

I'm sure you will have also noticed the opening of the site to develop our new community centre 'Repton Connect'. The plans are very exciting and it is wonderful to see our community directly involved as trustees making decisions about the centre. Many of whom are parents at the school. We will be forwarding information to you on behalf of the trustee group too so please keep an eye out for this in the near future.

Finally, Friends of Repton Manor (FORM) continue to support the school superbly, not just by raising money for our children but also by setting up some wonderful community events. We have a wonderful event planned tomorrow night with live music at the school by Hullabaloo (<http://hullabaloo-uk.com>) and tickets are available on the door at just £10. I have seen this band perform a few times and it is guaranteed to be a great night so please come along and kick your heels up! Thank you to FORM for arranging another great event. **Doors open 7.30pm**

Matt Rawling - Headteacher

**Teddington
Starlight Stomp**

Join us for a magical, sponsored walking adventure, as we embark on "The Great Space Race"

Scooters & Bikes

We are always happy to see so many children either cycling or using scooters to get to and from school. Can we please remind parents that these items should be taken at the end of each afternoon, as we do have various community lettings during evenings and weekends.
