

Our Community

Firstly, I would like to take the time to thank our families on behalf of the staff at Repton Manor Primary School, for the wonderful gifts that we were sent in at Christmas. This is extremely generous of you all. A very special thank you to all of the children and families that sent Christmas cards with personalised messages of thanks, we do appreciate that this is a very busy time of year, so to take the time to buy/make a gift or write a personal message is very touching.

As a growing community, we can also see how our surroundings are developing with many new houses and also the noticeable growth of the Community Centre which has started to take shape. During this week, we have had a Road Safety visit that was attended by Councillor Bradford. With the current weather conditions that we are experiencing we would like to ensure that our families can move around the school site as safely as possible. Mr Smith works tirelessly clearing pathways but we would just like to ask our families to be very careful during these icy days.

Matt Rawling - Headteacher

After-School Club

Many of our families within school use the Breakfast and After-School Care Provision that we provide and we would like you to join with us in saying goodbye to Mrs Comins, who has decided to focus her time teaching drama at Stagecoach. We would also like to welcome Mrs Jennifer Schuessler into her new role as Extended Care Manager. Our children will already know 'Miss Jennifer' as she has been working every evening in the after-school club since April 2016.
