

Welcome to  
Elizabeth Garrett  
Anderson Class

Year 4

at Repton Manor  
Primary School

## Elizabeth Garrett Anderson Teaching team

**Miss Lynn**

I am so excited to have you in my class and to get to know you. Here's some things to know about me.

My favourite subject to teach is Science.

I love Disney and my favourite place is Disney World in Florida. When I go there, I wear Minnie Mouse ears every day!

My favourite food is pizza and I have it every Friday. I have even eaten pizza 3 days in a row before!

My favourite colour is purple and my favourite season is Summer, although I love Christmas too. My favourite animal is a sloth.

I hope you have a wonderful summer holiday. See you in September to start our Year 4 journey! 😊

**Mrs Davison**

I love to play netball and spend time with my family, where we enjoy going on bike rides and walks.

My favourite animal is a horse and I love a roast dinner at the weekend.

I also love my cats and kittens.

Have a lovely Summer and see you all in September!

**Miss Ashton**

My favourite food is doughnuts.

My favourite colour is yellow.

My favourite animals are elephants.

In my free time I enjoy watching shows and going to the theatre.

**Mrs Newton-Oguntuga**  
(\*but you can call me Mrs O)

My favourite food is Jollof Rice.

My favourite colour is blue.

My parrot animals are parrots.

In my free time I really enjoy reading and relaxing on the sofa.

**We are currently looking for additional special adults to come and join you on your adventures in year 4!**

This is a photo of our school.

This is how I will get to my classroom in the morning.

This is my new classroom. My classroom might look different next year as my teacher might move some furniture.

This is where my locker is. I will put my coat, bag and PE bag in my locker.

If I have a packed lunch, I will put it on the trolley outside my Classroom.
