Hi! I'm **Miss Gorania** and I am so excited to teach you next year.

I went to University to study Illustration so one of my favourite things to do is to draw people and places. I love all things creative and try to have a go at lots of different crafts. I also like to play on my Nintendo Switch sometimes - I'm sure a few of you like gaming too.

I'm not that good at some sports but I love having a go and staying healthy - I try to go for a jog or do something fun like kayaking!

I absolutely hate tomato ketchup, if I could... I would ban it!

I love travelling which I haven't been able to do much recently, but I would love to talk about places I have been with you - exploring new places makes me really happy!

Mrs Wilkinson

Hi everyone, I will be one of your teaching assistants from September.

You know me pretty well already, but here's a little bit more about me...

I love to cycle and to read books in my spare time.

I have a pet tortoise called Boo!

I'm really looking forward to spending next year with you all!

Mrs Angdembe

My favourite food is dumplings and my favourite colour is white.

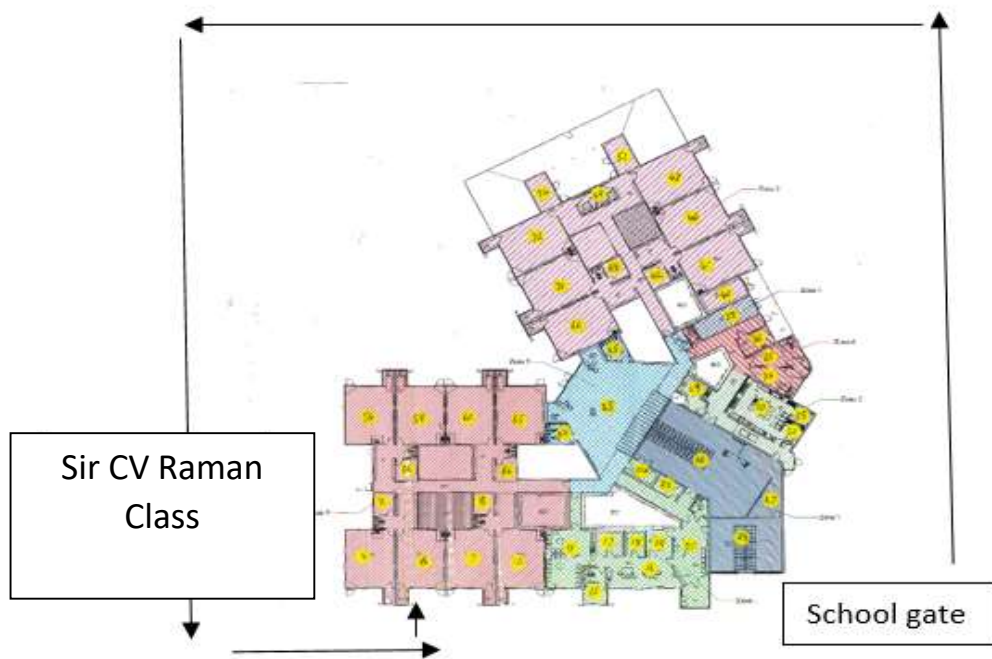

My favourite animals are fish.

The thing I like to do the most in my free time is shopping!

This is a photo of our school.

This is how I will get to my classroom in the morning.

This is my new classroom. My classroom might look different next year as my teacher might move some furniture.

This is where my locker is. I will put my coat, bag and PE bag in my locker,

If I have a packed lunch, I will put it on the trolley outside my Classroom.
