

Welcome to
Alan Turing Class
Year 6

at Repton Manor
Primary School

Alan Turing Teaching Team

Ms Bashford

Hello Everyone.

I am looking forward to being your Year 6 teacher in Alan Turing Class.

My Favourite colour is orange and my favourite food is tacos.

I like a wide variety of animals but my favourites are tree frogs and giraffes.

You will probably already know that I love sports and PE and am very active outside of school too. The things I like doing most are taking walks with my dogs, going to sporting events and concerts and generally being outside. I enjoy sea swimming, hiking and mountain climbing.

I look forward to seeing you all soon!

Mrs Hardy

My name is Mrs. Hardy and I am really looking forward to getting to know all the new Year 6 children.

I love many sports, including gymnastics and athletics. I enjoy reading a variety of books - I was inspired by Harry Potter in Year 4 and have since read all the books in the series. I love food - especially spicy, hot curry, and chocolate ... not together!

I enjoy sketching and painting. I speak two languages (Spanish and French) and my favourite place in the world is Andalusia, in the south of Spain.

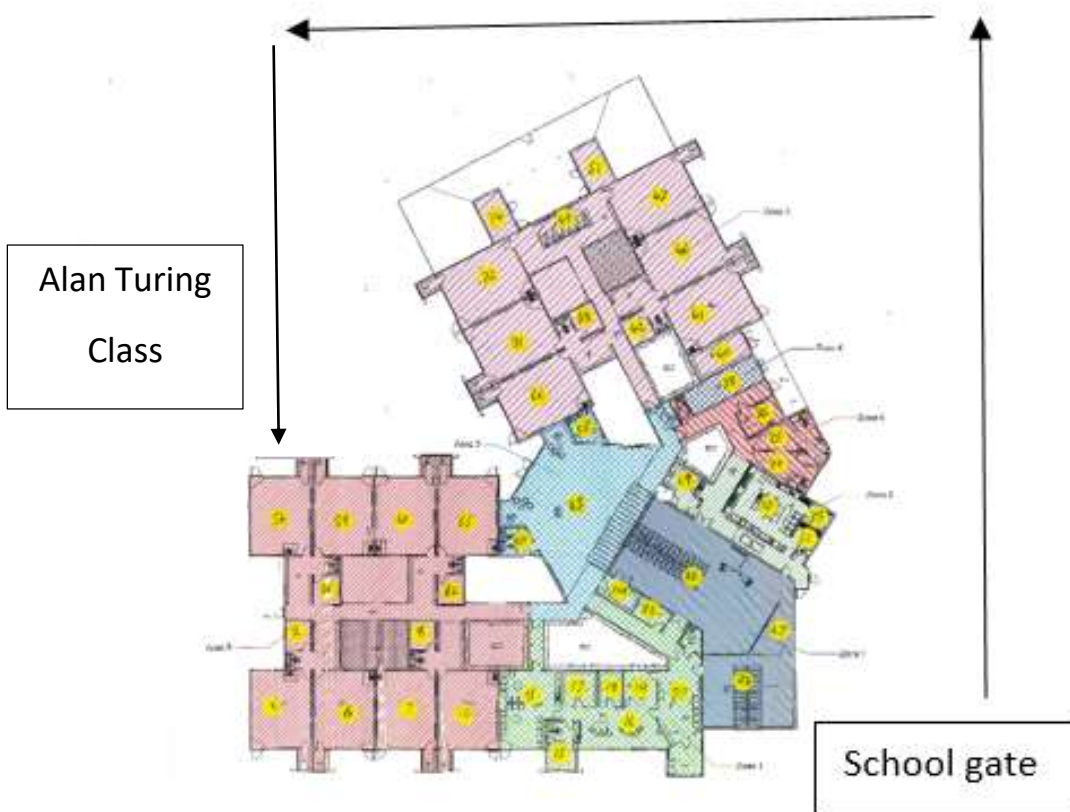

A lot of my spare time is spent with family and friends, and we enjoy trips out or just being at home together. We have lots of barbecues in the summer!

I look forward to seeing you all soon.

This is a photo of our school

This is how I will get to my classroom in the morning

This is my new classroom. My classroom might look different next year as my teacher might move some furniture.

This is where my locker is. I will put my coat, bag and PE bag in my locker

If I have a packed lunch, I will put it on the trolley outside my Classroom.
