

Year 3 Class Newsletter

Term 1 2022

Welcome back everybody! Hope that you had a lovely Summer, we are excited to have the children back and can't wait to get started in Year 3! We have a great term planned with lots of great activities to ease your children back into school and look forward to sharing them with you.

Our new topic is Nature versus Nurture. Here are some of the fun things we will be learning this term.

Topic

Our new topic for Term 1 is Nature versus Nurture. This is going to be a very exciting topic where we will be completing lots of Science work about light and plants! The children will be learning all about how light lets us see and what helps plants to grow. We will end this topic with a shadow puppet show of the life cycle of a plant.

Then we will be moving into our next topic in Term 2 which is Stone, Fire and Ice. For this topic, we will be learning all about life in The Stone Age along with some local history too.

Maths

In Maths this term we will be starting our learning with place value. This will involve learning methods for the four operations. We will learn how to use our addition, subtraction, multiplication and division skills and use these to answer a range of problem solving questions.

English

In Reading, we will start off the term by looking at our class book, The Flicker of Hope by Julia Cook. In writing, we will be developing our story writing skills and poetry.

Notices:

19/10/22 Parents Evening

21/10/22 INSET Day

8/12/22 Christmas Fayre

9/12/22 Medal Assembly

16/12/22 Last Day of Term

Reminders

Our PE days are Monday & Tuesday. Please ensure the children bring in their PE kit and spare clothing for outdoor learning on Wednesdays.

Please ensure that Reading Records are signed when children read. The children will get a chance to change their books throughout the week once the reading quiz is completed.
