

Year 3 Class Newsletter

Term 5 2023

We hope that you had a lovely Easter break and that the children are looking forward to another busy term full of lots of fun learning!

We are beginning our topic of The Ancient Greeks. Here are some of the exciting things we will be learning this term...

Topic

Our topic for Term 5 is The Ancient Greeks where we will continue to have a strong focus on history where the children will become historians! The children will be learning about influence that the Ancient Greeks had on our life today. They will also be looking at Ancient Greek Gods and heroes through myths and legends.

Maths

In Maths this term we will be focusing on fractions, money and time. The children will be applying their knowledge of addition and subtraction to these and will be using problem solving skills. We will also continue to work on times tables.

English

In Reading, we will continue our class reader, text Who Let the Gods Out. In writing, we will be developing their writing skills through myths and cultural narratives. We will also be working on skills such as adverbs and prepositions to express time and cause.

Reminders

Our PE days are yet to be confirmed. These days will be communicated with you via Arbor so please look out for those.

Please ensure that Reading Records are signed when children read - this should be daily. The children will get a chance to change their books throughout the week. The reading quiz can be done in the classroom or at home.
