**A message from Mrs Chambers**

Welcome back to a new school term – Term 6. I hope that you all had a lovely half term break and enjoyed the sunshine and some lovely family time. I cannot quite believe how quickly this year has gone. Before we know it, the year will be finished!

We have a busy term ahead of us with: Sports Day, Year 6 leavers assembly and production, Year 4 production, our last medal assembly of the school year and our 10-year party amongst some of the events planned.

We know that many of our children are anticipating next year already and have begun thinking about their transition to their new year group. We wanted to assure you that we have a very comprehensive transition plan in place for each and every child, involving:

- ❖ A middle school approach which has already begun for Year 6 – so that they can practise following timetables, moving to different rooms and being organised with their resources for all lessons.
- ❖ Many informal opportunities for all children to become familiar with their new teachers and their new classrooms.
- ❖ Transition booklets for each child which will be made by our pastoral and inclusion team.
- ❖ Many opportunities for our staff to complete a thorough handover with their children’s existing teachers.
- ❖ Opportunities for our staff to plan ahead for their curriculum next year – with their new cohort in mind.
- ❖ A TA swap week – where the children’s new TAs will join their classes in their existing classrooms with their current teachers for a week.
- ❖ Transition Week – Week beginning Tuesday 4<sup>th</sup> July:
  - Monday 3<sup>rd</sup> July: INSET Day
  - Tuesday morning - with current class teacher preparing for their new class.
  - Tuesday afternoon - story with their new teacher and TAs in their current classroom.
  - Wednesday, Thursday and Friday - in new classes with new teachers and TAs.
  - Friday after school – open classroom: Meet the teacher.

Please do contact me directly on [jackie.chambers@reptonmanor.kent.sch.uk](mailto:jackie.chambers@reptonmanor.kent.sch.uk), or contact your child’s class teacher should you have any questions about the upcoming term.

## How Mainstream Schools Support Children with SEN Training for Parents and Carers of Children With SEND in Mainstream Educational Settings

### OVERVIEW

The Education People have been funded by Kent County Council to deliver training to parents and carers of children with SEND from across Kent. Our aims for the training are to:

- build parental confidence in what is on offer to support children and young people with a SEND in mainstream schools
- answer questions that you may have about the offer
- develop your knowledge of how the Mainstream Core Standards are being used in schools to support your children.

This free training will be delivered virtually, via Zoom. If you have any issues with accessing the internet then please do get in touch and we will do our very best to make the training accessible to you.
