SAMA Martial arts	Liam O'Hara sama.ashford@outlook.com	SAMA Organisation has been established since 1978 and teaches over 15,000 students weekly. We teach in hundreds of schools, leisure centres and community halls across the south of England. SAMA is a full member of F.E.K.O (Federation of English Karate Organisations), F.I.K.O (Federation of International Karate Organisations) and F.M.A (Federation of Martial Arts Association). SAMA is also Recognised by Sport England. <u>www.samamartialarts.co.uk/content/venues</u> . Our classes last for 45 minutes. Classes consist of correct and safe exercise, promoting good health and body strength and also help to improve concentration and co-ordination. We make the classes fun for the children but also place great emphasise on discipline and respect. Although not a problem we encounter, children learn that karate is not to be used for fun either at school or outside of school.	Friday's 3.15-4pm	All years
