

How to set out a page for Reading

Long date, written to the right hand side, underlined with a pencil ruler line.

Monday 5th September 2022

LO: to use retrieval skills to find information

Leave a line under the learning objective and then start your work on the next line.

LO written starting on the left, next to the margin with a colon (:) and underlined with a pencil line..

Reading Top Tips

1. Answers should be written in full sentences unless answering quick retrieval questions as a starter.
2. Writing should be joined up, the same as in Writing books.
3. VIPER letters can be used alongside questions if using a range of different reading skills. These should be written in the margin.
